Requirements: Three monthly payments must have been made on the loan for which payment is to be skipped and all accounts must be current and in good standing to qualify. Only one monthly payment may be skipped per loan suffix. Real Estate, VISA, Open Line, and ELF loans are excluded. By signing above, you authorize GRCCU to extend your final loan payment by one month for each loan skipped. You understand that by deferring a payment, the interest will continue to accumulate on your loan during the skipped month, which will increase the total cost of borrowing. Life/Disability/GAP Insurance may not cover the extended skip a payment months. You also agree to resume payments as scheduled following the month skipped. If loan skip fee is not paid, this offer is void. Offer valid November 2017 - January 2018.
